

HOW TO - Create an account on Amadeus

1. Create an account at <https://developers.amadeus.com/register>.

The screenshot shows the 'Create an account' page on the Amadeus for Developers portal. The browser window title is 'Create an account | Amadeus for Developers — Mozilla Firefox'. The address bar shows the URL 'https://developers.amadeus.com/register'. The page has a dark theme with a blue header. The header includes the 'AMADEUS for Developers' logo, navigation links for 'Products', 'Blog', and 'Support', and a 'Sign In' button. The main content area is titled 'Create an account' and includes a brief description of the account's benefits. The registration form consists of several fields: 'First name' (filled with 'John'), 'Last name' (filled with 'Private'), 'Country' (filled with 'United Kingdom'), 'Email' (partially filled with '@gmail.com'), 'Business area' (filled with 'Individual developer'), and 'Full legal company name (if applicable)'. There is a reCAPTCHA verification step with a green checkmark and the text 'I'm not a robot'. Below the form, there is a checkbox for agreeing to the terms of use, privacy policy, and cookies policy, which is checked. A 'Create account' button is located at the bottom of the form. The footer contains links for 'Legal', 'Cookies policy', 'Privacy policy', and 'Amadeus', along with social media icons for YouTube, GitHub, Twitter, Discord, and LinkedIn.
